Dear CKRS Family,

At Christ the King Regional School, our first priority as a PTA is making sure that we are able to give our children, all the educational tools they need to learn and grow in our school where "Faith and Knowledge Meet". We thank you for sharing in that mission and wisely investing in your child's future here at CKRS and are truly grateful for all that you and all our parents do in so many ways to contribute to the pride, joy, and success of our school.

This year our CKRS community needs to raise \$150,000 to be able to continue to offer the top-shelf Catholic education that is synonymous with CKRS. Your support will help ensure that all our students continue to receive supplemental core enrichment programs like IXL, Pro Literacy, Scholastic Magazines, Gospel Weeklies, Discovery Learning, as well as offer special electives like Art, Music, Stem, PE and World Languages and a variety of co-curricular clubs and competitive sports teams.

As many of you already know, the tuition paid for a CKRS education does not cover all the costs necessary to educate our children at Christ the King Regional School. Collectively our school is tasked with raising nearly \$150,000 each calendar school year & through the years we have hosted many wonderful events each set with a unique fundraising goal to help offset the true cost of tuition at our school. When combined, we have met the target. However, this year we have decided to embark on a new journey with the mission to consolidate our efforts & unite (Uknight) as one body by launching 1 sponsorship platform, which we are kicking off at the start of school. Our intentions are to feature & celebrate our greatest supporters throughout the entirety of the year. Your involvement in our "**Uknighthed for CKRS**" 2023-2024 Fundraising Campaign will make all the difference in maintaining our school's fiscal stability while still being able to offer our children a premier Catholic Education in South Jersey, second to none.

We would also like to share that your attendance & participation to our events is also vitally important because all proceeds from each event will afford CKRS students the resources necessary for academic and spiritual success. The key to a great event is the work and support of families like you. All our events are open to everyone so please consider bringing your family and non-CKRS Friends. They are all sure to be fun nights out!

Our updated & freshly designed CKRS PTA website allows for easy purchasing of our sponsorships & event tickets. Please check out [www.ckrspta.com](http://www.ckrspta.com) to see more details & check back in frequently to see new information. Please note that event tickets will be available to purchase close to 1-month in advance of event start date. To view the fruits of your contributions, please visit our main school website [www.ckrs.org](http://www.ckrs.org) to witness the power of our community.

Lastly, our hope is that you will join us strongly in this plan & work with us to secure a General Sponsorship, an Event Sponsorship, or an Ad Block from a business you frequent. If everyone does their part by securing at least one item, then we can make this calendar year & future years here at Christ the King Regional School a huge success! We are looking forward to this new journey & can't wait for you to join us! If you have any questions, please do not hesitate to contact Maureen Nelson at (609) 828-3292 or by email at [mocasserly@gmail.com](mailto:mocasserly@gmail.com)

Well another successful annual King's Run, followed by crafts & a visit with Santa himself! So many wonderful people helped put this day into motion & just wanted to extend a sincere (belated) thanks for everything. From the food donations, to the volunteer hours served, all the way from making purchases with our vendors – the love for our events was felt!
